## LANGUAGES

- **American-English**: very good level in writing, comprehension and conversation TOEFL (in May 1991); classes of written English at Pratt Institute in New York, 1992
- **Japanese**: good level in comprehension and conversation in 1991, at Cesmeo Turin Intensive Course of Japanese – April-September 1994 at the language University of Osaka, with Monbusho Scholarship given by the Japanese Government
- **French**: studied at Centre Culturel Français, Turin 2002 and 2007

## TEACHING EXPERIENCES at UNIVERSITY:

- **Visiting Associate Professor, Architectural and Urban Design, Hosei University, Tokyo - September 2015-January 2016** (courses in English and some Japanese to help students in comprehension):
  - Architectural Design Studio, third year Undergraduate
  - Urban Design Studio, Graduate level
  - History of Italian Modern Design, Graduate level
- **Assistant Professor, Architectural and Urban Design, Turin Polytechnic, end 2012-2017, teaching:**
  - Architectural Design Studio, Graduate level
  - Economics and Design Organization, Graduate level (course in English)
- **International Workshop:**  
**15 July - 5 August 2017: TTTWorkshop, third edition, with:**
  - The University of Tokyo (Kengo Kuma Lab)
  - Feng Chia University and
  - Turin Polytechnic**Theme: TTT for H.E.L.P. – designing and building a temporary structure**
- **International Workshop:**  
**28 August- 9 September 2017 in Torino**

**Theme: Urban re-development and new congress centre in Torino with Prof. Makoto Shin Watanabe, Hosei University**

- **International Workshop:**  
**Organizer and Architectural/Urban Design Professor “Piazza Mirafiori: a new gathering place for Turin?” with Prof. Takashi Ariga Waseda University 18-29 July 2016**
- **Fellowship from Keio University** – Studies on Nihonbashi re-development area in Tokyo, presentation of research to Mitsui Fudosan, in cooperation with Hiroto Kobayashi, January-February 2016
- **International Workshop:**  
Organizer and Urban Design Professor at the International Workshop “The Character of place” with **Keio University (Prof. Hiroto Kobayashi) and Turin Polytechnic**, in Tokyo 1-3 September, in Turin 10-14 September 2015
- **International Workshop:**  
**Architectural Design Professor at TTT Project: “Water and Shadow”**, international workshop in Taichung, Taiwan with **Feng Chia University, The University of Tokyo (Kengo Kuma Lab) and Polytechnic of Turin**, 18-31 August 2015  
Professors: Kengo Kuma, Shwuting Lee, Lorena Alessio, Ko Nakamura, Mathias Gutai, Eddie Kao

<https://www.facebook.com/TTTWorkshop>
- **Fellowship from Nihon University, Tokyo** - for lecturing and research in cooperation with Tomio Watanabe, June 2015
- **International Workshop:**  
Organizer and Professor at Architectural and Urban Design International Workshop: “Enabling public space” in **Settimo T.se**, with **Turin Polytechnic and The University of Tokyo (Kengo Kuma Lab)**, 1 week - July 2014 (exhibition in **December 2015**)
- **Professor at Sustainable Architecture Design Studio at Turin Polytechnic**, Graduate level, A.Y. 2013-2014
- **International Workshop:**  
**Organizer and Urban/Architectural Design Professor at Canelli Workshop: Design and realization of Canelli main plaza, with Turin Polytechnic and Canelli City Council, 2011**
- **International Workshop:**  
Tutors coordinator at **International Workshop on Urban Design and Creativity with Prof. Wang Shu, High School of Polytechnic of Milan and Turin**, July 2011
- **Professor in charge of Architectural Design Course at Turin Polytechnic**, second year students, Faculty of Architecture, A.Y. 2009-2010, 2008-2009, 2007-2008, 2006-2007 and 2000-2001 (fifth year students)

- **Organizer of AAST (Advanced Architecture Settimo-Tokyo) Workshop, September 2011**
- **International Workshop: Organizer and Architectural and Urban Design Professor at International Design Workshop: ‘Ex-area Italgas in Turin: new proposals’; with students of Chaoyang University, Turin Polytechnic, SJIU, April 2010 and Agreement for exchange relationships**
- **International Workshop: Organizer and Architectural and Urban Design Professor at Turin Polytechnic of the International Workshop of Architectural Design, to be held in Turin in September 2009 with Prof. Jefferson Ellinger, Renssealer Polytechnic Institute, Troy New York**
- **International Workshop: Organizer and Architectural Design Professor at International Workshop ‘Hands on’ at Turin Polytechnic with the participation of Tokyo University of the Arts (Geidai) Tokyo, with Professors Agostino Magnaghi, Masao Noguchi, Tetsuro Kurakawa, arch. Marco Corbella in Turin, March 2009 and Agreement for exchange relationships**
- **International Workshop: Organizer and Architectural and Urban Design professor at International Workshop in Canelli with Turin Polytechnic and M.I.T. with Professors Shun Kanda, Alex Fubini, March 2009**
- **International Workshop: Organizer and Architectural and Urban Design professor in charge at Turin Polytechnic of the international workshop and exhibition ‘A bridge station at Lingotto Turin’, held in Turin in September 2008 with Prof. David Riebe, Renssealer Polytechnic Institute, Troy New York**
- **Assistance at Architectural Design Course at Turin Polytechnic, Faculty of Architecture, A.Y. 2003-2004, 2004-2005**
- **Visiting Architectural Design Professor at Busan, South Korea for the International Architectural Design Workshop, September 2003**

## **OTHERS**

### **TURIN POLYTECHNIC INTERNATIONALIZATION**

- **Starting International relationship and preparation of MoU with:**
  - **The Tokyo University of the Arts, 2009**
  - **Waseda University, signed in 2016**
  - **Hosei University, signed in 2016**
  - **Kyoto University, signed in 2017**
- **24-27 October 2016: official meetings at Osaka University, Kyoto University, Kyoto Institute of Technology, Hosei University, Keio University, The University of Tokyo, Waseda University to strenght international relationships**

## **MAIN RESEARCH ACTIVITIES**

- **H.E.L.P.6.5 – HOUSING IN EMERGENCY FOR LIFE AND PEOPLE 6.5**
- **RECENT TOKYO URBAN RE-DEVELOPMENT PLANS**

## **OTHERS**

- **FORUM**  
Ideation and Organization of forum “Italy/Japan: Design e territories. The value of cultural differences” - Tokyo, 28 and 29 October 2016
- **Coordinator for Torino Strategica (the making of the third Strategic Plan for Torino) of Urban Quality Group – December 2013-May 2014**
- **Several graduate thesis, mainly developed between Italy and Japan.**

## **MAIN LECTURES**

- **“Turin Urban re-developments from 1980’ to nowadays”, TokyoMidTown, 25 January 2016 to TMG, Mitsubishi Co., Mitsui Fudosan Co., Mori Buildings Co.**
- **“Architecture as narrative”, Feng Chia University, Taichung, 24 August 2015**
- **“On my Works”, Nihon University, 24 June 2015**
- **“Turin and its recent urban re-developments”, Nihon University, 23 June 2015**
- **Moderator for The Plan Magazine at:**
  - **“Ceramics and Architectural Dialogues”, Tokyo, 17 November 2014**
  - **“Soul of City”, Seoul, 19 November 2014**
- **Lecture on Architecture and Urban Design at:**
  - **Konut Conferancy, Istanbul 26 November 2014**
  - **Tokyo University of the Arts, 13 June 2014**
  - **Mirage Project Point, Milan, 23 October 2013**
  - **Fondazione Sandretto Re Rebaudengo, Turin, 22 October 2013**
  - **Taipei City Hall on Torino Strategic Plan- From Industrial City to Cultural City, Taipei, October 2011**
  - **final presentation of international workshop in Taipei, October 2011**
  - **International Conference for Taichung Gateway Park City Development, November 2009**
  - **International Conference on: Re-use of industrial sites, Taichung, Feng-Chia University, November 2009**
  - **Chaoyang University in Taichung, Taiwan, June 2009**
  - **Circolo dei Lettori, Turin, April 2008**
  - **Keio University, invitation by Kengo Kuma, Tokyo, October 2007**
  - **Norwegian University of Science and Technology, Trondheim, August 2007**
  - **IED, Design European Institute, Milan 2005**

Torino, 16 December 2018
