

Flavio Stimilli, Ph.D.

RESEARCH AREAS Urban planning, Disaster risk reduction, Building back better, Transformative resilience, Community readiness and empowerment, Digital platforms for community engagement and participatory planning, Heritage enhancement, Climate change and adaptation policies

WORK EXPERIENCE *Research positions and fellowships*

- 01 Oct. 2021 – in progress
Camerino **Research fellow (RTD-a) in Urban and Regional Planning, Unicom-SST**
1st level researcher at the School of Science and Technology (SST), Geology division, University of Camerino (Unicom), within the scope of activities and projects promoted by the research Consortium REDI – REducing risks of natural Disasters
Focus: "Multi-risk assessment & management for the improvement of territorial resilience"
Goal: to develop, in collaboration with INGV and with the use of multidimensional resilience indicators, a **GIS platform** allowing for the evaluation and prediction of multi-risk in the light of the space-time evolution of the geological, ecological and economic processes, as well as of the economic and social effects of risk mitigation policies and action plans.
- 15 April – 15 July 2021
Camerino-Ascoli Piceno **Research fellow (post-doc) for the inter-university project: VAUTERECO**
Research grant: research project "VAUTERECO, Evaluation of urban & territorial assets for community resilience", University of Camerino & Marche Polytechnic University, funded by the Ministry of the Environment, in collaboration with Marche, Umbria and Abruzzo Regions
- 18 Jan. 2021 – 19. July 2021
Rome **Research trainee (post-doc) at the Eurac research center in Rome**
Traineeship at Eurac: stage at the Eurac research center, collaborating in particular on the European Interreg project RISK-ACT (programme Italy-France ALCOTRA). Main research topics: natural hazards in mountain areas, risk assessment models, socio-economic impact
- 01 September – 31 Dec. 2020
Camerino-Ascoli Piceno **Research fellow (post-doc) for the Italy-US project: RE-LAND, Unicom-SAAD**
Research grant: Science and Technology cooperation Italy-USA, research project of Particular Relevance "RE-LAND, RESilient LANDscapes", University of Camerino (Unicom), School of Architecture And Design (SAAD). PI: Massimo Sargolini
- 15 Feb. 2019 – 15 May 2019
Camerino-Ascoli Piceno **Researcher for the project: Food Atlas for the Tronto Valley, Unicom-SAAD**
Research grant for a spatial plan and atlas for the food in the Tronto Valley; University of Camerino (Unicom), School of Architecture And Design (SAAD). PI: Massimo Sargolini.
- 01-31 December 2019
Camerino-Ascoli Piceno **Researcher for the Italy-US project: RE-LAND, Unicom-SAAD**
Research grant: Science and Technology cooperation Italy-USA, research project of Particular Relevance "RE-LAND, RESilient LANDscapes", University of Camerino (Unicom), School of Architecture And Design (SAAD). PI: Massimo Sargolini, December 2019
- 01 Oct. - 30 Nov. 2019
Guimarães (Portugal) **Visiting scholar at the University of Minho, Portugal**
Research mobility grant: two-month research period at the University of Minho in Braga and Guimarães, PT, collaborating with the School of Architecture and the Department of Geography
- 1 May – 30 June 2017
Camerino **Researcher for the project: New development paths for the central Apennines**
Research scholarship: two-month research grant *Nuovi sentieri di sviluppo per le aree interne dell'Appennino: il caso studio di Camerino*, issued by Unicom and the Tolentino Rotary Club

Institutional positions

- Member of the *University Committee for the Promotion and Monitoring of the Human Resources Quality for Research & the Human Resources Strategy for Researchers*, University of Camerino (which is holder of the EU HR Excellence in Research award, since 2012), Dic. 2017-in progress
- Member of the *University Committee for the Review of the University Statute and the continuous monitoring of its implementation*; University of Camerino, 2018-2022
- Representative of PhD students at the *Board of the International School of Advanced Studies*, University of Camerino. May 2017 – June 2021

RESEARCH PROJECTS

(ALTRI PRODOTTI DELLE ATTIVITÀ DI RICERCA)

- Erasmus+**
 - Technical coordinator and scientific expert of the Unicam research Unit in the **Erasmus+ project SUNRISE – Supporting Ukraine's Next generation of scholars: a project for Raising university capacity and Improving doctoral Student Education**, Call: 2024 Round 1 KA2 - KA220-HED - Cooperation partnerships in higher education (KA220-HED); September 2024–August 2027
- Erasmus+**
 - Scientific expert of the Unicam research Unit in the **Erasmus+ project DRM-FRAME – Disaster Risk Management and Civil Resilience**, Call: Call 2023 Round 1 KA2 - KA220-VET - Cooperation partnerships in vocational education and training; October 2023–September 2025
- Horizon Europe**
 - Technical coordinator and scientific expert of the Unicam research Unit in the **Horizon-Europe project BETTER Life – Bringing Excellence to Transformative Socially Engaged Research in Life Sciences through Integrated Digital Centers**, Call: HORIZON-WIDERA-2021-ACCESS-05 (CSA), European Excellence Initiative (EEI): Strengthening capacity for excellence in higher education institutions and surrounding ecosystems); September 2022–August 2025
- Governmental initiative**
 - Scientific expert for the **Governmental initiative Cultural routes and pathways for the tourist, social and economic revival of the regions affected by 2016 earthquake, Research consortium REDI** (REducing risks of natural Disasters), in collaboration with the Governmental Dep.t Casa Italia, Presidency of the Council of Ministers; 2022-2023; Coordinator: Massimo Sargolini
- Unicam project (FAR)**
 - Technical coordinator and scientific expert of the **Italian research project PRE-PLAN, Preventive Planning for disaster-resilient territories**, (Fondi di Ateneo per la Ricerca), University of Camerino, School of Architecture and Design; PI: Massimo Sargolini; July 2020–July 2022
- Inter-institutional project**
 - Technical coordinator and scientific expert of the **Italian research project Revival of Central Italy. New development paths for the Central Apennines after the 2016 earthquake, Research consortium REDI** (REducing risks of natural Disasters), in collaboration with the Governmental Dep.t Casa Italia, Presidency of the Council of Ministers; 2021-2022; Scientific coordinator: Massimo Sargolini
- EU Interreg**
 - Collaboration as external expert with the Eurac research center (Bolzano, Italy) for the **European Interreg project RISK-ACT** (programme Italy-France ALCOTRA): natural hazards, risk-assessment models and socio-economic impacts in the Alps and the Apennines, 2021-2023
- Inter- institutional project**
 - Collaboration in the **Italian research project “VAUTERECO”** (Evaluation of urban and territorial assets for community resilience), University of Camerino & Polytechnic University of Marche, funded by the Italian Ministry of the Environment; PI: Massimo Sargolini; Sept. 2020–Sept.2022
- Unicam project**
 - Member of the **Italian research project “Food Atlas for the Tronto Valley”**, carried out by the University of Camerino, School of Architecture And Design; promoted and supported by Fondazione Carisap. PI: Massimo Sargolini; Jan. 2020–Dec. 2021
- Italy-USA**
 - Technical coordinator and scientific expert of the **Italy-USA research project of Particular Relevance “RE-LAND, REsilient LANDscapes”**; (program: Science and technology cooperation; funded by the Italian Ministry of Foreign Affairs and International Cooperation); PI: Massimo Sargolini; Research consortium REDI (REducing risks of natural Disasters), in cooperation with: University of California LA, University of California Davis, University of Oregon, and Colorado Boulder University; Jan. 2019–2023

- EU Interreg
 - Scientific expert for the **EU Interreg project MADE IN-LAND**, *Management and Development of INLANDs* (Italy-Croatia programme). PI Massimo Sargolini; Jan. 2019–2023.
- Research consortium
 - Coordination of the research and organizational activities of the **technical-scientific secretariat** of the Research Consortium REDI (REducing risks of natural DIasters), Sept. 2018–in progress
- JPI Urban Europe
 - Technical expert for the **JPI Urban Europe research project**: *Smart-U-Green. Governing conflicting perspective on transformations in the urban-rural continuum*, Jan. 2017 – Febr. 2021
- Inter-institutional project
 - Technical expert for the **Italian research project** *New development paths for the Marche Apennines after the 2016 earthquake*, promoted and co-organized by the Regional Council of Marche Region and the four Universities of Marche Region, led by the University of Camerino under the scientific coordination of Massimo Sargolini; 2018-2019
- Croatian project
 - Technical expert for the **Croatian research project HERU**. *Heritage Urbanism: Urban and Spatial Models for the Revival and Enhancement of Cultural Heritage*; P.I.: Mladen Obad Šćitaroci; Sept. 2016 – Sept. 2019

Teaching and mentoring

(ATTIVITÀ DIDATTICHE)

- March 2022 – in progress
Camerino

Research professor of Disaster management at Unicam, Master's Degree in Geo-environmental resources and risks

UNICAM-SST, University of Camerino, School of Science and Technology

 - Within the teaching assignments as Research fellow (RTD-a) in Urban and Regional Planning
 - Responsible for teaching, mentoring and supporting students throughout the various activities of the Master course (teaching, excursions, exams)
- April 2021 – in progress
Camerino

Adjunct professor for the II level University Master Course: Inner Areas. Strategies for risk prevention, reduction and regeneration after natural disasters

UNICAM-SAAD, University of Camerino, School of Architecture and Design

 - Responsible for teaching on: disaster risk reduction and territorial cohesion for the development of Inner Areas; applied research on the case study of central Italy; risk-sensitive planning and socio-economic risk assessment; local food systems and community resilience
 - Responsible for mentoring and supporting students throughout the various activities of the Master (stage, Master thesis development, etc.)
- Sept. 2021 – February 2022

Contract professor for the Regional School of ski instructors, Marche Region

UNICAM-SAAD, University of Camerino, School of Architecture and Design

 - Responsible for teaching on: mountain landscapes and cultural heritage; geographical and environmental aspects
- April 2020 – July 2021
Camerino

Teaching Assistant for the II level University Master Course: Inner Areas. Development and regeneration strategies post catastrophic events

UNICAM-SAAD, University of Camerino, School of Architecture and Design

 - Co-responsible for organizing the Master seminars and supporting students throughout the various activities of the Master (teaching, stage, thesis development, etc.)
- April 2020 – in progress
Camerino

Teaching Assistant for the II level University Master Course: Inner Areas. Development and regeneration strategies post catastrophic events

UNICAM-SAAD, University of Camerino, School of Architecture and Design

 - Co-responsible for organizing the Master seminars and supporting students throughout the various activities of the Master (teaching, stage, thesis development, etc.)

- 19 August – 29 August 2018 **Workshop organizer and supervisor for Laboratorio del Cammino**
 Sicily ▪ **Summer School: Sicilia coast to coast**, 10-days tour on foot across eastern Sicily (nearly 200 km, from Mazara del Vallo to Palermo), in a study trip and field research; tutor for student groups
- June 2018 – in progress **Advisor and co-advisor for Master theses in Urban and Regional Planning**
 Camerino **UNICAM-SAAD**, University of Camerino, School of Architecture and Design
 ▪ Co-responsible for mentoring & supervising students in the development of their Master theses
- April 2018 – June 2018 **Teacher for a course of Geographical Information systems (GIS)**
 Ascoli Piceno **UNICAM-SAAD**, University of Camerino, School of Architecture and Design
 ▪ Responsible for mentoring and training a class of ca. 60 students. 20 hours of teaching.
- 16 August – 02 Sept. 2017 **Workshop organizer and supervisor for Laboratorio del Cammino**
 Central Italy ▪ **Summer School: Via Salaria, un cammino per ricostruire**, two-week tour on foot across central Italy (nearly 300 km, from Porto d'Ascoli to Ostia), in a study trip along the ancient via Salaria
- 17 July – 22 July 2017 **Tutor for the Urban Planning Workshop: Reconstruction and Redevelopment of Camerino after the 2016 earthquake (II level Master Città e Territorio 2017)**
 Camerino ▪ Co-organized by **ISTAO, UNIVPM, INU, SIU & UNICAM-SAAD**; tutor for student groups.
- March 2017 – June 2017 **Teaching Assistant for the course and workshop of Urban Planning**
 Ascoli Piceno **UNICAM-SAAD**, University of Camerino, School of Architecture & Design
 ▪ Co-responsible for mentoring and training a class of ca. 30 students (lectures & project reviews)
- 9 January – 9 February 2017 **Research and teaching fellow for a course of Environmental & Urban Planning**
 Douala (Cameroon) **IUC – Institut Universitaire de la Côte**, Douala, Cameroon
 ▪ Responsible for teaching, mentoring and training a class of ca. 20 students. 90 hours of teaching
- 12 – 23 September 2016 **Tutor for the International Workshop of Urban Creation Equinox 2016**
 Ascoli Piceno **UNICAM-SAAD**, University of Camerino, School of Architecture and Design in Ascoli Piceno
7ª edição do Atelier Internacional de Criação Urbana Equinox 2016: "Well-Being & Creative City"
 ▪ Support and tutor activities for students
- March 2015 – June 2015 **Teaching Assistant for the course and workshop of Urban Planning**
 Ascoli Piceno **UNICAM-SAAD**, University of Camerino, School of Architecture and Design
 ▪ Co-responsible for mentoring and training a class of ca. 40 students (lectures & project reviews)
- Other work activities (ALTRI TITOLI DIDATTICI, SCIENTIFICI O PROFESSIONALI)*
- Sept. 2021 – February 2022 **Technical Advisor for a highway variant in Liguria Region, Unicam-SAAD**
 Camerino, Ascoli Piceno ▪ Consultant and **technical expert** in the drafting of a landscape analysis and report, within a cost-benefit analysis and feasibility study for a motorway variant in Torino-Savona (by the town of Altare, Liguria), commissioned by Consorzio Fabre to the University of Pisa and Unicam-SAAD
- July 2017 – February 2022 **Corporate participation in the Unicam spin-off Terre.it srl**
 Camerino, Sarnano ▪ Collaborator & technical **advisor** in the drafting of urban plans & projects, and in other planning activities, mostly commissioned by public institutions (regional & local authorities, universities)
 ▪ Italian-English **translator** for scientific articles, chapters and books related to the interdisciplinary area of urban, landscape and regional planning
- 14 Nov. – 10 Dec. 2016 **Urban Planning Advisor for the Reconstruction & Development of Unicam**
 Camerino Reconstruction and Development Plan for the University of Camerino after the 2016 earthquake, First Draft (Extraordinary Urban Planning Office of Unicam, led by prof. Massimo Sargolini).

- June 2013 – Sept. 2013 **Promoter of Cultural Events and Public Relations Agent**
Poland Tatra Agency, Zakopane, Poland (cf. tetry.pl)
 ▪ Co-responsible for festivals, fairs and other cultural events (three-month internship)
- Sept. 2004 – May 2012 **Sales Manager, Maître and Restaurant Manager**
Ferrara, Rome Grocery shops and restaurants in Ferrara and Rome
 ▪ Logistics and Human Resources management;
 ▪ Relations with suppliers and customers.
- March 2004 **Workshop Facilitator for a participatory planning project**
Ferrara Municipality of Ferrara
 ▪ Chairman, tutor-advisor & moderator in the experimental project “Immagina Ferrara” for the redevelopment of 5 public squares in Ferrara downtown: public audits & discussions, pilot labs.

EDUCATION AND TRAINING

(TITOLI DI FORMAZIONE POST-LAUREA)

- 01 April 2020 – 23 July 2021 **II level University Master Course in: Inner Areas. Development and regeneration strategies post catastrophic events, Unicam-SAAD** ISCED 7
University of Camerino (II level University Master Course, co-organized by the School of Architecture and Design, University of Camerino, and Fondazione Symbola).
Award given by the Eurac research center, covering the annual Master fee.
Rome **Stage at Eurac:** 3-month internship at the Eurac research center; focus on risk assessment and the concept of acceptable risk (more below in work experience > research activities)
 18 January 2021 – 19 July 2021
- December 2016 – Dec. 2019 **PhD in Ecosystems & biodiversity management, University of Camerino** ISCED 8
Research topics: natural hazards; landscape resilience; disaster risk reduction; *littoralization*; regional development of inland areas; marble extraction in mountain areas; territorial cohesion.
Doctoral thesis Title: *Regional development of inland areas through disaster risk reduction and new connections with the coast* – Advisor: prof. Massimo Sargolini; Co-Advisor: prof. Roberto Canullo
- Portugal** **Research mobility:** two-month research period at the of the University of Minho in Braga and Guimarães, north Portugal (more below in work experience > research activities)
 01 October – 30 November 2019
 15 – 18 July 2019 **Summer School:** Comunicamscienza, University of Camerino & Psiquadro, Camerino; attendee
- Colorado** **International conference:** *43rd Annual Natural Hazards Research and Applications Workshop*, Broomfield, Colorado, USA, international research meeting on disaster risk reduction
 8 July – 12 July 2018
- Cameroon** **Research and teaching activities** for a course of *Environmental and Urban Planning* at the Institut Universitaire de la Côte, Douala (more below in work experience > teaching & mentoring)
 9 January – 9 February 2017
- Portugal** **Field work and research** in the inland areas of the Region of Minho, Trás-os-Montes and Alto Douro, Portugal – with the support of the University of Minho (Department of Geography)
 16-23 December 2016
- Croatia** **Postgraduate research training at the University of Zagreb**
 October 2015 – July 2016 *Department of Urban and Regional Planning, and Landscape Architecture*, Faculty of Architecture
Postgraduate scholarship issued by the University of Camerino to study and train outside Italy
Research focus on Adriatic-Ionian inland areas, Regional Development, Cohesion Policies
- October 2012 – April 2015 **Master degree in Environmental, Landscape and Regional Planning** (score: 110/110 cum laude) ISCED 7
University of Camerino (inter-faculty master programme, co-organized by the School of Environmental Science and the School of Architecture and Design)
Master thesis Title: *Improving accessibility to the Tatra Mountains on the Polish side: a transportation masterplan supporting sustainable mobility in view of the Krakow bid for the 2022 Winter Olympics*. Advisor: prof. Massimo Sargolini; Co-Advisor: arch. Ilenia Pierantoni.

- Poland** **V International Mountain Forum** in Zakopane
 13-15 October 2014 (participation on behalf of prof. Massimo Sargolini as Guest Speaker)
- Estonia** **IV International Winter School** in Kääriku: *Sports and Politics: Putting Sochi in Perspective*
 9-15 February 2014 (co-organized by the University of Tartu and the Higher School of Economics, National Research University – Moscow); attendee.
- Croatia** **University of Zagreb**: Erasmus Learning Programme (11 months of study, 12 courses attended and the corresponding examinations successfully passed at the Faculty of Agriculture, the Faculty of Forestry and the Faculty of Architecture)
 October 2013 – August 2014
- Poland** **Tatra Agency in Zakopane**: Erasmus Placement Programme (3 months internship)
 June – September 2013 (more below in work experience > other work activities > *Promoter of Cultural Events*)
- Sept. 2001 – Sept. 2007 **Bachelor of Architecture (score: 110/110)** ISCED 6
FAF (Faculty of Architecture, Ferrara) and **IUAV** (University Institute of Architecture in Venice)
- Immagina Ferrara** Participatory project for the redevelopment of five city squares in Ferrara
 March 2004 (more below in work experience, *Workshop Facilitator*)
- September 1996 – July 2001 **High School Diploma (score: 100/100)** ISCED 3
 Liceo Scientifico Galileo Galilei, Ancona

CONFERENCES

(ALTRI PRODOTTI DELLE ATTIVITÀ DI RICERCA)

- Adana**
 - International scientific workshop *The aftermath of the 2023 Turkey seismic sequence*, organized by the Adana Science and Technology University (ATU) and the University of Camerino. 10 December 2025; invited speaker: *The recovery process after the 2016 central Italy earthquake*.
- Naples**
online event
 - Kick off-meeting of the SUMMA project** (PRIN 2020); 14 June 2022; keynote speaker: *Multi-hazard and multi-risk in the contemporary city*.
- San Francisco**
online event
 - International scientific seminar *Earth Sciences and Cultural Heritage*, organized by the **US-Italy** Science & Technology Joint Commission. 17 June 2021; invited speaker.
- Rotterdam**
online event
 - International scientific seminar of the project *Smart-U-Green: Governing conflicting perspectives on transformations in the urban rural continuum*, funded by the international joint programming initiative **JPI Urban Europe** ERA-NET Cofund Smart Urban Futures. 03 Feb. 2021; participant.
- Naples**
online event
 - 12th INU Study Day: Well-being and/or health? 90 years of studies, policies, plans**. Speaker in the special session: Protected areas and local development of Inner Areas. 18 December 2020.
- Rome**
online event
 - Interdisciplinary seminar **RISE - Towards a National Plan of Integrated Interventions for Seismic-Energy Enhancement of the Building Stock & Territorial Systems**, co-organized by the research consortium **REDI** & the *Italian Presidency of the Council of Ministers*. 27/10/2020. Co-organizer
- Rome**
 - Managing for Sustainability and Corporate Responsibility – Guest Speaker Series** (*European School of Economics in Rome*): *Regions between challenges and unexpected opportunities*. 23 Oct. 2020. Guest speaker (lecture given: *Climate change and natural hazards: disaster risk reduction and landscape resilience for local development and quality of life*).
- Rome**
online event
 - XLI annual scientific conference of A.I.S.Re** (*Italian Association of Regional Sciences*): *Regions between challenges and unexpected opportunities*. 02-04 Sept. 2020. Speaker & participant (lecture given: *Preparing for natural disasters*).
- San Francisco**
online event
 - International scientific seminar *Earth Sciences and Cultural Heritage*, organized by the **US-Italy** Science & Technology Joint Commission. 24 June 2020. Speaker & participant in round tables.
- Ascoli Piceno, Italy**
 - International scientific meeting of the project *RE-LAND, REsilient LANDscapes*, funded by the Bilateral Cooperation Program **Italy-US** (Projects of Particular Relevance). Ascoli Piceno, 18-21 December 2019. Organizer, speaker & participant in round tables
- Ithaca, NY, USA**
 - International research meeting between the *Cornell University* and the University of Camerino to foster collaboration in the **Italy-US** project *RE-LAND* & beyond. 30-31 August 2019. Participant.
- Los Angeles, CA, USA**
 - International workshop of the project **Italy-US RE-LAND, REsilient LANDscapes**, (cf. above), co-organized by the Garrick Institute for the Risk Sciences, the University of California LA, and the University of Camerino, 26-27 August 2019. Organizer, speaker & participant in round tables (lecture given: *Linkages between planning and natural risk management*).

- Ancona, Italy
 - International scientific seminar of the project *Smart-U-Green: Governing conflicting perspectives on transformations in the urban rural continuum*, funded by the international joint programming initiative **JPI Urban Europe** ERA-NET Cofund Smart Urban Futures. Ancona, 27-28 June 2019. Co-organizer, speaker & participant in round tables.
- Ancona, Italy
 - International scientific seminar of the project *MADE IN-LAND (Kick-Off Meeting)*, funded by the **Interreg Italy-Croatia** CBC Program; call for proposals 2017; Priority Axis: Environment & cultural heritage. Ancona, 06-07 May 2019. Co-organizer, speaker & participant in round tables.
- Camerino, Italy
 - International scientific workshop: Interdisciplinary approach toward revitalization from 2016 central Italy earthquake; Collaborative Study Program between the University of Camerino, Italy, and **Toyo University**, Japan. Camerino, 10-17 September 2018. Co-organizer, tutor & lecturer.
- Broomfield, CO, USA
 - **43rd Annual Natural Hazards Research & Applications Workshop**, Broomfield, Colorado, US, international conference & researchers' meeting on disaster risk reduction; 08-12 July, 2018
- Camerino, Italy
 - International scientific conference *The Green Economy in the Apennines*, co-organized by the **University of Camerino** and the European Academy of Bolzano - **Eurac Research**, in co-operation with the Italian Ministry of the Environment. 22-23 May 2018. Co-organizer, participant
- Ascoli Piceno, Italy
 - International scientific meeting of the project *Smart-U-Green: Governing conflicting perspectives on transformations in the urban rural continuum*, joint programming initiative **JPI Urban Europe** ERA-NET Cofund Smart Urban Futures, 26-27 Oct. 2017. Co-organizer & work session panelist
- Ascoli Piceno, Italy
 - Equinox 2016 – 7^a edição do Atelier Internacional de Criação Urbana (international Workshop of Urban Creation) – Ascoli Piceno, 12-23 Sept. 2016, University of Camerino (*tutor activity*)
- Naples, Italy
 - **9th INU Study Day: Green and Blue Infrastructures, Virtual, Cultural and Social Networks**. 18 December 2015. Speaker & special session panelist.
- Zagreb, Croatia
 - International Scientific Conference Cultural Heritage: Possibilities for Spatial and Economic Development, Zagreb, Croatia, 22-23 October 2015 – **HERU** project. Co-organizer & speaker
- São Luís, Brazil
 - Equinox 2015 – 6^a edição do Atelier Internacional de Criação Urbana (international Workshop of Urban Creation) – 14-25 Sept. 2015, Universidade Estadual do Maranhão, São Luís, Brasil
- Zakopane, Poland
 - **V International Mountain Forum**, Zakopane, 13-15 Oct. 2014, guest speaker. Lectures given:
 - Zakopane and the Tatra Mountains: historical background and landscape analysis
 - First ideas and proposals for a plan of improvements in the Tatra county mobility system
- Kääriku, Estonia
 - **IV International Winter School: Sports and Politics: Putting Sochi in Perspective** (co-organized by the University of Tartu and the Higher School of Economics, National Research University – Moscow), 9-15 February 2014, Kääriku, Estonia
